**FOUNDATION STATEMENT**

Edmund Rice Education Australia (EREA) seeks to respond to the needs of young people disenfranchised and disengaged from education. They provide a place and an opportunity to re-engage in a suitable, flexible learning environment. Flexible Learning Centres (FLCs) seek to build honest and authentic relationships with young people, their families and communities, supporting and celebrating the uniqueness and dignity of each person. FLCs are guided by the vision of Edmund Rice about the empowering service of education, to achieve personal and community liberation through educational experiences that enable transformation.

**PRINCIPLES OF OPERATION (RESPECT, PARTICIPATION, SAFE AND LEGAL, HONESTY)**

All employees of the Marlene Moore Flexi School Network adhere to the concepts of Common Ground and Operation by Principles – more information can be found on the EREA website. All flexible learning centres operate under this framework and this is a significant point of difference from mainstream schooling. The principles establish a “common ground” among staff, young people and families where the means to resolve conflict, negotiate learning, recognise rights and responsibilities are modelled and explored, both within the group and individually.

## BACKGROUND

Marlene Moore (1945-1995) was a proud Wakka Wakka woman who worked on the staff of the first FLC at Logan in the 1980's. A member of the Stolen Generations who was taken from Gayndah to Cherbourg at the age of two along with her seven brothers and sisters, Marlene left at the age of 15 and worked as a domestic. She married and moved to Logan in 1975 where she raised six children. Marlene decided to return to study at Kangaroo Point TAFE College, where she completed studies in Welfare. She also went on to complete Early Childhood Studies through the Creche and Kindergarten Association. Marlene was appointed Indigenous Liaison Worker within Centre Education where she also worked as live-in caretaker. Her last few years were spent proudly working as the Indigenous Liaison Officer at Logan Hospital. Marlene passed away in 1995 aged 50.

Marlene Moore Flexi Schools Network (MMFSN), named in honour of Marlene, is an initiative of EREA. MMFSN offers a full-time and multiyear secondary education and social inclusion program for disenfranchised young people across four school campuses: Hemmant, Deception Bay, Noosa, and Gympie. Young people may express a broad range of complex education and social needs and MMFSN FLCs respond with a variety of flexible and innovative social inclusion and learning experiences.
