

Senior Systems and Network Engineer

St Joseph's Flexible Learning Centre, works with young people who are disengaged from mainstream education with the aim of re-engaging them in creative, meaningful and intentional learning. Our schools work with young people through a trauma informed approach respectful to the educational needs of each learner.

The Senior Systems and Network Engineer will be responsible for the ICT systems infrastructure in a growing flexible educational organisation with multiple sites and a diverse group of users including young people with limited technical skills. This role might require travel to other campuses when needed.

The Role:

- We are looking for a full time Senior Systems and Network Engineer to join our team, working at our North Melbourne campus and Carlton head office.
- You will be employed on an ongoing basis, commencing ASAP, and will be employed under the Victorian Catholic Education Multi Enterprise Agreement 2018.

You will need:

- Ability to commit to and work within our Operating Principles; **Respect, Participation, Safe and Legal and Honesty.**
- Degree or higher-level qualifications in ICT or a related field.
- 7+ years of experience in technical ICT roles
- Ability to obtain a Working with Children Check
- Be willing to support young people and our team members to reach their potential

Aboriginal and Torres Strait Islander People are encouraged to apply, we are an Equal Opportunity Employer and value diversity.
